The turquoise pools in Wadi Shab

Full Day Tour - amazing Wadi with turquoise blue sweet water pools

Departure from the hotel Muscat at 09:00 hrs am – English speaking guide

Depart in Muscat to south-east direction, passing by the fishing city and oases of Quriyat. First stop near Bimah to see the impressive sinkhole. After some few more kilometres and a total of about 1,5 hrs driving time we will reach the entrance to Wadi Shab near Tiwi. From here a small boat will bring us to the opposite side of the Wadi where we start the hike of about 45 minutes towards the river bed to the end of the valley. Several rock pools and an amazing water fall inside a cave build the spectacular end of the valley. The trail to the pools leads through lush gardens first and then altering along loose gravel and big river rocks to climb over. Once reached the rock pools you have to cross them by swimming until again gravel and rock passages will follow until you reach the last pool where you have to pass through a rock gate to reach the waterfall in the cave.

Enjoy yourself during the swim in the pools or discover the spectacular cave at the very end of the valley. After this fantastic refreshing swim in the pools we will return the same way until we reach the car and travel back to Muscat which we will reach around 05:00 hrs pm.

Price per person (net rate incl. all local taxes and charges): Program subject to changes in schedule.

Min. 2-3 paying persons: USD 200,00 pp

Min. 4 - 55 paying persons: USD 135,00 pp

Included services: transport in air-conditioned vehicle, English speaking guide, pick-nick lunch en route incl. water and soft drinks. Bottled drinking water in the car during the tour. .

Note: For the hike through the Wadi sure footedness and agility are mandatory and you should be able to climb over big river rocks. Nonslip sneakers or closed trekking sandals are the recommendable footwear. For the swim in the pools and the cave wet shoes are recommended.

Please be aware that the rocks in the Wadi are slippery in dry and the more in wet condition.

Adequate swim suits, towel and sun protection as well as water proofed cover for camera or phone if you want to use it in the pools and care are necessary.
